Modules and lecture days 2020 – 2021

Semester August - January				
Monday	**Tuesday**	**Wednesday**	**Thursday**	**Friday**
Systems Modelling Big Data & Small Data	Advanced Vehicle Dynamics Process Development	Applied Control	Electric Hybrid & Fuel Cells Powertrains Smart Vehicles Sustainable Energy Systems	
		Term 1 and 2: Lessons How to write a thesis		

Semester February - July				
Monday	**Tuesday**	**Wednesday**	**Thursday**	**Friday**
Systems Modelling Big Data & Small Data	Smart Vehicles Product Development Sustainable Energy Systems	Applied Control Advanced Vehicle Dynamics Distributed Systems Sustainable Fuel, Engines and Emissions	Electric Hybrid & Fuel Cells Powertrains Smart Infrastructure Smart Power Supply Advanced Controller Design	
		Term 3 and 4: Lessons How to write a thesis
